May 3, 2020

Hello,

As I shared on Friday, we tested all our staff members. Results started to come in mid-day today. We have 71 results with 2 staff members testing positive and 1 result still pending. The two staff members have been notified and will not be returning for at least 14 days. In the best interest of our residents, we will be requesting that everyone be tested. We are also going to have our staff use full precaution PPE when caring for residents. We spent the day rolling out our PPE.

Please know that I will keep you fully informed. Please feel free to call or email me with questions.

Have a good evening

Kindly,

A handwritten signature in black ink that reads "Luanne Rogers". The signature is fluid and cursive, with a long horizontal stroke at the end.

Luanne Rogers
Administrator
