Hello Families, Residents and Friends,

Memorial Weekend Greetings! It certainly will be a different holiday and summer kick off this year. I hope you all remain safe and careful.

I have no new symptoms or testing to report. We continue our ongoing screening for all staff and residents. We hope to learn more next week about how the surveillance testing of residents and staff will be implemented.

We encourage all to remember there has been no lifting of Stay at Home recommendations for Seniors and CMS has told us to maintain our strict NO Visitor policy and masking protocols, and no congregation of residents. We have reminded our staff to maintain their good mask wearing, hand washing and distancing when they are away from work.

This week we opened our courtyard; awning is up, tables and a few chairs out so that proper distancing is maintained. We have had some lovely courtyard walks and visits.

We are decorated in Red, White and Blue. Our Loft is festive and flags are waving in the courtyard.

And we have found out talented staff members who can cut and style hair. Wednesday afternoon we heard Frank Sinatra playing as hair was being styled. Ladies and Men were tended to. Photos are being taken and shared.

Thank you to all who have served our country and those we lost. They will remain in our prayers.

Kindly,

A handwritten signature in black ink that reads "Luanne Rogers". The signature is fluid and cursive, with a long horizontal stroke at the end.
