Hello families, residents, staff and friends.

We have all our results from last Wednesday. We did have a staff member test positive, but the Department of Public Health does not count this as part of our outbreak. They have cleared us, BUT ...

Hillsborough County has crossed over 10% Positivity rate – NOW 12.3%. We will be testing all staff twice a week until it goes below 10% again.

We cannot do any indoor visits. Window and video visits for now. Sorry for the sad news.

NO further word on vaccine yet.

Take care, stay safe.

Kindly,

Luanne Rogers
