February 15, 2021

Hello families, residents, staff and friends,

We hope your Valentine's day was filled with love and warmth. We celebrated here with lots of cheer and valentines for residents and staff.

And we have moved right on to President's day today. Hope you had a day off as we prepare for more winter storming this week. Stay safe and warm please.

Testing: We continue testing every Monday and Thursday. We had no staff test positive. We tested again today. The Positivity rate in Hillsborough County remains over 10%, but is steadily declining.

| | | | | |
|---------------------|-------|----|-------|-----|
| Hillsborough County | 33011 | NH | 13.8% | Red |
|---------------------|-------|----|-------|-----|

Vaccine: We had our final clinic on 2/8. We do not know yet what the plan will be for us to vaccinate new admissions. If you need information about vaccine appointments, please call 211 or go to the NH Website: <https://www.vaccines.nh.gov/>

Thursday, 2/18, we plan to ***celebrate our staff*** during a **Winter Sparkle Event**. We have asked everyone to get their sparkle on!

Kindly,

A handwritten signature in black ink that reads "Luanne Rogers". The signature is fluid and cursive, with a large, sweeping flourish at the end.

Luanne Rogers
