

February 19, 2021

Hello residents, families, staff and friends. We have had a full week that leaves us feeling very **GRATEFUL**.

Testing: Tested on Monday and Thursday this week and all tests came back negative for Covid19. **GRATEFUL** that staff continue to be careful.

These were the Valentines that every staff member received! **GRATEFUL** to the family who blessed us with this kindness!

On Thursday we celebrated our teammates with our Winter Sparkle Event. After each team mate was tested, we had them come to the library to be sparkled up!

“**Sparkle** paper towels” to sparkle up a clean up! A generous gift card to add **sparkle** to their eyes! A sparkle cupcake to add **sparkle** to their tummies and raffles to add **sparkle** to their evening if they won. All was through the generosity of families. It not only added sparkle to our day, it brought tears to many eyes. We are **GRATEFUL** for the families of our residents who bless us with their kindnesses and generosity.

Some fun photos

Lastly, we had our annual recertification survey – Tuesday through Thursday.

Indeed a busy week, but we are **GRATEFUL** for wonderful teammates who are blessed with the amazing residents and their families who are in our care.

Thank you from the bottoms of our hearts! You have us feel very appreciated.

Kindly,

Luanne Rogers, LNHA
