April 9, 2021

Hello residents, families, staff and friends,

Spring is in the air. We are spring cleaning and working to get the courtyard cleaned up and ready for warm weather visits. Baseball and the Red Sox are back for our enjoyment too.

We hope to be taking some bus rides soon as well. Just a ride, not stopping, just fresh air and fresh views.

All our current residents have been vaccinated and we have a way to get all new admissions vaccinated as needed. Our Pharmacy will be able to provide us with the J & J, one shot vaccine. We had our first clinic this week. We are also offering to any staff who are not yet vaccinated. Keeping them informed of their options is our goal.

Currently the positivity rate is climbing in Manchester and NH in general, and with the variants, this is putting younger folks at risk so we are doing everything we can to educate and protect our residents and staff. It was 7.1% this week. Let's hope we start seeing a downward trend. We are testing all staff weekly. We have had no POS results.

A reminder - I sent out a email and calendar invite to join us through Video conference next Wednesday 4/14 at 4 PM, via Zoom link below, or by phone through number listed below. I am offering this option so you can put faces and names together and if this is something you would like to do again, just let me know. You can always reach out directly by email or phone. Enjoy this lovely weather.

**Luanne Rogers is inviting you to a Zoom meeting. Wednesday, April 14<sup>th</sup> at 4 PM.**

You can join us by clicking on the link below, enter passcode when asked - or you can call in - you will need the meeting ID and Passcode below.

**Virtually meet our managers, including our new Director of Nursing Services (Molly Brann), New Assistant Director of nursing (Debbie Bushman-Morales) and the other managers. Put faces to names, ask questions and share thoughts and suggestions as we navigate this crazy time.**
