January 5, 2022

Good Afternoon,

Due to the rising positivity rate in Hillsborough County this week, we conducted rapid Covid-19 tests for all staff and residents.

As of today we have had 5 staff members test positive for Covid-19. All residents have tested negative. PCR testing will be conducted for all staff and residents on Friday.

We are working closely with the Department of Public Health and will keep you informed as this situation resolves.

Visitation will continue to be offered in common areas, to minimize possible exposure. Visitors will not be allowed on Bridge or Trinity wings, in residents rooms.

Please let us know ahead of time, if possible, the approximate time you will be coming to St. Teresa's to visit.

Thank you, as always, for your cooperation and understanding.

Molly Brann, RN  
Director of Nursing Services  
St. Teresa Rehabilitation & Nursing Center
