December 22, 2022

To our Residents and Family members:

We would like to provide you with an update as to the status of Covid 19 in the facility. As of this morning we have 3 additional positive residents. This brings our total active positive cases to 5. We are continuing to test our residents and staff. Staff are continuing to wear N95 masks and eye protection. Our positive residents remain on Transmission Based Precautions. If you do decide to visit, we are strongly encouraging wearing a mask and social distancing while visiting with your resident. We are in contact with the Manchester Department of Public Health and will keep you all informed to changes as they occur.

Warm Regards,

Diane Brace, RN
Interim Director of Nursing Services
St. Teresa Rehabilitation & Nursing Center
