To our Residents and Family members:

We would like to provide you with an update as to the status of Covid 19 in the facility. As of today all resident cases have resolved and we have no positive residents. Unfortunately we did have one staff member test positive today. We are continuing to test our residents and staff. If you do decide to visit, we still strongly encourage mask use and social distancing while visiting with your resident. We are in contact with the Manchester Department of Public Health and will keep you all informed to changes as they occur.

Warm Regards,

Diane Brace, RN
